

2008 Virtual Annual Meeting Audio Recordings

- 0001 Military Allergy Program - 22nd Annual Harold S. Nelson Allergy-Immunology Symposium
- 1001 Workshop - Clinical Research (CR) Workshop: Methacholine Challenges: Don't Let Them Challenge You
- 1002 Workshop - Clinical Research (CR) Workshop: Meet the FDA Auditor: Are you Ready For Me? Here I Come
- 1003 Workshop - Clinical Research (CR) Workshop: Is Your Investigative Site in Compliance with Good Clinical Practice?
- 1004 Workshop - Clinical Research (CR) Workshop: Clinical Research Overview, What You Need To Know
- 1011 FIT Program - FIT Breakfast Symposium
- 1201 Course - NIAID Morning Symposium: Regulatory T Cells in Immune-Mediated Diseases
- 1204 Course - Endoscopic Evaluation and Management of Sinusitis (Pre and Post) Surgery including Cultures
- 1241 Symposium - Medical Administrators, (MA) Morning Symposium: Coding Issues
- 1501 Workshop - Clinical Research (CR) Workshop: Contracts, Budgets and Negotiations
- 1502 Workshop - Clinical Research (CR) Workshop: How To Identify and Retain Your CRC
- 1503 Workshop - Clinical Research (CR) Workshop: New Strategies for Successfully Completing Pediatric Trials
- 1504 Workshop - Clinical Research (CR) Workshop: Advanced Spirometry: Beyond the Basics
- 1551 ART Financial Planning Session
- 1602 Course - NIAID Afternoon Symposium: Atopy, Immune Regulation and Infectious Diseases
- 1604 Course - Allergy Diagnostics and Immunotherapy: The Nuts and Bolts of an Allergy Practice
- 1605 Course - Development and Implementation of Clinical Trials in the NHLBI Clinical Research Networks: Lessons Learned
- 1607 Course - Eicosanoids and Inflammation
- 1608 Course - Getting Started in Practice
- 1609 Course - Environmental Differences and Their Impact on Early Life: Allergy Development: Lessons Learned from Around the World
- 1610 Course - Launching a Career in Academic Allergy/Immunology
- 1631 Symposium - Clinical Research (CR) Symposium: The Changing Faces of Clinical Research Don't Get Left Behind
- 1641 Symposium - Medical Administrators, (MA) Afternoon Symposium: EMR and Change Management

1901 Dinner Symposium - Allergic Rhinitis and the Relationship to Other Allergic Diseases

1902 Dinner Symposium - Directions in Asthma

2001 Member Service Program - FDA Member Service Program: FDA Regulatory Issues Affecting the Specialty of Allergy and Immunology: Update on Allergy and Immunology Drug Products

2041 Symposium - Medical Administrators, (MA) Morning Symposium: Practice and Referral Development

2341 Symposium - Medical Administrators, (MA) Morning Symposium: Financial Strategies to Report and Achieve Success

2622 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: The Evaluation and Treatment of Acute Asthma in the Clinical Setting

2801 Workshop (Panel Discussion) - New Asthma Guidelines

2804 Workshop (Audience Response) - Dermatological Manifestations in Drug Reactions

2808 Workshop (Q&A) - From the Mountains to the Prairies to the Oceans: Are the Common Food Allergens Changing?

2809 Workshop (Q&A) - Endotoxin: Friend or Foe?

2810 Workshop (Q&A) - Post-Transcriptional Gene Regulation in Asthma and Allergies: The Year-in-Review

2811 Workshop (Q&A) - Progress and Problems with Vaccines For the Most Important Infections in the World

2813 Workshop (Q&A) - Angiogenesis and Airway Remodeling

2814 Workshop (Q&A) - Drug Allergy in the 21st Century: Mechanisms and Specific Treatment

2821 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Atopic and Contact Dermatitis: Not all Eczema is the Same

2822 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: The Role of Environment in Allergic Disease

2824 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Spirometry for the Allied Health Professional

2825 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Allergen Immunotherapy Beyond the First 100 Years

2826 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Sleep Disorders and Allergic Rhinitis in Adults and Children: Is There a Connection?

3001 Member Service Program - JCAAI Member Service Program: What's New in Coding and Regulation for Allergists

3032 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Urticaria and Angioedema

3033 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Drug and Antibiotic Sensitivity

3034 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Anaphylaxis: Prevention and Recognition

3035 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Allergic Rhinitis: A Case-Based Presentation

3036 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Masqueraders: When It's Not Asthma

3311 Symposium - Allergy and Asthma for the Health Care Professional (AAHCP) Symposium Part 3: Clinical Immunology 101

3501 Pro/Con Debate - Inhaled Corticosteroids Should be Used to Treat Acute Exacerbations

3502 Pro/Con Debate - It is Nonsense to Identify Molecular Defects in Primary Immunodeficiency Disease

3503 Pro/Con Debate - Viral Respiratory Infections Cause Asthma

3611 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Understanding Monoclonal Antibodies

3612 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: The Impact of Psychosocial Issues in Asthma

3613 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Allergic Eye Conditions and Their Management

3614 Workshop - Allergy and Asthma for the Health Care Professional (AAHCP) Workshop: Nutrition Management in the Food Allergic Child

3701 Interest Section Forum – ADT

3702 Interest Section Forum – BCI

3703 Interest Section Forum – EORD

3704 Interest Section Forum – FADDA

3705 Interest Section Forum – HCEDQ

3706 Interest Section Forum – MAAI

3707 Interest Section Forum – RSOD

3711 Course - Specialty Recognition in IVIG Nursing

3901 Dinner Symposium - New Developments in the Treatment of Allergic Rhinitis

3902 Dinner Symposium - Treatment of Hereditary Angioedema: State-of-the-Art

3903 Dinner Symposium - Just a Drop in the....or Slip of the Tongue

4001 Member Service Program - ABAI Member Service Program: 2008 ABAI Update on Maintenance Of Certification (MOC)

4221 Seminar - Formula for Success: Connecting with Your NIH Program Officers

4805 Workshop (BYOP) - Severe Asthma: The Latest

4806 Workshop (Panel Discussion) - Sports Medicine Update: The Recreational and Elite Athlete

4808 Workshop (Year-in-Review) - What's New in Pediatric Allergy, Asthma and Immunology

4812 Workshop (Q&A) - Molecular Links: RSV and Asthma

4814 Workshop (Q&A) - Clinical Updates from the American College of Physicians (ACP)

4901 Dinner Symposium - Allergy Sensitization, Response and Diagnosis

4902 Dinner Symposium - New Asthma Guidelines: Adult and Pediatric

5501 Pro/Con Debate - ENO is Ready for Prime Time

5503 Pro/Con Debate - Sick Building Syndrome is a Real Condition

5505 Pro/Con Debate - Oral Food Challenges Are Risky and Not Necessary for Food Allergy Diagnosis

5704 Workshop (BYOP) - The Patient with Recurrent Infections or PID

5705 Workshop (Q&A) - Mastocytosis vs. Anaphylaxis: Can Tryptase Levels or C-kit Mutations Provide the Answer?

5706 Workshop (Audience Response) - Anaphylaxis in Different Patient Populations

5707 Workshop (Q&A) - New Therapeutics for Allergic and Immunologic Disease

5710 Workshop (Audience Response) - Career Choices, Mentorship and Finding the Balance in Allergy/Immunology

5711 Workshop (Q&A) - Nanotechnology Applications to Allergy and Asthma

5712 Workshop (Audience Response) - Safety Assessment in Clinical Vaccines

5714 Workshop (Q&A) - Psychological Stress, Immune Dysfunction and Inflammation: Approaches for Developing Mechanism Based Interventions
